

Women's Vita Protection

Hazle Drugs Brand of Women's Vita Protection Multiple Vitamin can help bridge the nutrient gap in a woman's daily diet. In today's world of processed foods and fast-paced lifestyles, many of us do not get the daily recommended allowance of vitamins, minerals and other nutrients. Multiple vitamins can help fill in the areas lacking in our diets, and are formulated to provide a broad range of nutrition in a synergistic manner.

Hazle Drug's Brand of Women's Vita Protection has been skillfully designed by our Certified Clinical Nutritionist with the specific needs of women in mind. Women's Vita Protection contains a vast number of valuable nutrients aimed at supporting general health including Vitamin A, Vitamin C, Vitamin E, Vitamin K, Thiamin, Riboflavin, Niacin, Bitamin B-6, Folate, Vitamin B-12, Biotin, Pantothenic Acid, Calcium, Iodine, Magnesium, Zinc, Selenium, Copper, Manganese, Chromium, Molybdenum, Potassium, CoQ10, Choline, Inositol, Aloe Vera, Lycopene, and Lutein. Also included in this formula is Cranberry. Cranberry is most commonly used in the prevention of Urinary Tract Infections and can possibly help to kill germs. Another ingredient in Women's Vita Protection is Alpha Lipoic Acid. Alpha Lipoic Acid, a potent antioxidant, helps support the brain and nervous system and is clinically proven to help repair nerves and lessen pain and burning sensations. Pomegranate, Mangosteen, and Acai are also included in this formula because they are packed with nutrients. The major health benefit of Pomegranate, Mangosteen and Acai comes from their high levels of antioxidants; specifically polyphenols, tannins, and anthocyanins.
