

## **“DID I REMEMBER TO TAKE MY MEDICINE TODAY?”**

### **Do you ever ask yourself...**

- Did I remember to take my medicine today?
- Did I take my medication at the right time?
- Did I forget my dose altogether?

Hazle Drugs has the solution for you. No more worrying about missed doses or times. No more juggling all those prescription bottles.

Hazle Drugs “*Blister Packaging System*” is a “*Personal Prescription System*” that is designed just for you. Each blister pack contains a 1 week supply of medication. Four blister packs of medication are usually dispensed, which is a month's supply.

This compliance package contains ALL OF YOUR MEDICATION in a single punch card. It takes the daily hassle out of figuring out “How did my Doctor tell me to take this medication and when?”

All your medication is pre-packaged at Hazle Drugs into four convenient times: Morning, Noon, Evening and Bed Time.

The Blister Packaging is a Medication Monitoring System that organizes YOUR OWN prescriptions to ensure that you take the correct medications at the correct time of the day.

The Medication Monitoring System is very easy for patients to understand, handle and use correctly.

Family members and caregivers can have a sense of comfort knowing that their loved ones are taking the correct medications at the correct time of day. Some elderly patient's who are forced to leave their homes because of medication compliance problems can now continue to live by themselves knowing that their medications are being taken on a daily basis.

This system is also tamper proof and spill proof.

This Blister Compliance Packaging System is a unique service that is convenient for:

- Elderly
- Diabetics
- Disabled
- Memory Impaired Patients.
